

# byko-spectra *mini*

For general color evaluation of small samples the byko-spectra *mini* light booth offers the following benefits:

- Comparison of standard and sample in a color-neutral environment
- Three different controlled light sources:
 

Daylight	D65
Incandescent light	A
Department store light	CWF or TL84
- Easy to operate by using individual switches for each light source
- Can be set up in minutes without any tools
- Economical testing of small samples in a compact design – for laboratory and production
